WELCOME

to a world of playfulness and whimsy, of rich colors and soft fur, of gentle feathers and natural beauty. This is the art of Theodora Tiffany Tilton, award-winning artist and creator of Tilton Studio Products. She is famous for painting nature, holiday, and Christmas cards. We invite you to peruse, to examine, and to enjoy the next several pages. You will find wealth of images for holidays, for special days, or for any occasion that needs something beautiful. Please let us know what we can do for you.

joy, and pleasure to all who receive them. While they are all designed to include appropriate quotes on the face side, they are also available as full bleed cards. They are ideal for your new line of cards, note books or calendars. Please contact us. We will be happy to work with you on your next project.

Birds, with their ability to fly, have long been the messengers between heaven and earth. Since ancient times they have symbolized love, loyalty, romance and purity. Bluebirds bring happiness, while magpies are thought to bring good fortune. Swallows are the harbinger of hope and springtime.

And doves symbolize peace.

Masterfully painted, showing the intricate detail of soft, furry feathers, these singularly beautiful creatures create a unique line perfect on note cards, latte mugs, planners, calendars, or address books. Let us know which images interest you and we will be happy to help.
